Expanding Sentences

Make these sentences more interesting to read by adding **adjectives** to describe the **noun** and **adverbs** to modify the **verb**. Use at least two types of adverbs.

Example: The dog barked.

The **frustrated, old** dog barked **continuously last night**.

How?   When?

1. **Her aunt coughed.**

   _____

2. **The rain fell.**

   _____

3. **My teacher talked.**

   _____

4. **The boy cried.**

   _____

5. **A bird flew.**

   _____

Now choose any two of your sentences above and modify either the adjective or adverb with __another__ adverb.

Example: The frustrated old dog barked continuously last night.

The frustrated old dog barked **almost** continuously last night.

_____

_____
