My Two Dogs

By: Crisberna R. Bacasnot

I have two dogs named Jeila and Isla. I love them both as if they are part of the family. They always make me happy.

Jeila is big while Isla is small. Jeila's fur color is black while Isla is white. They are both pretty, cute and sweet. They love to play especially during early morning and late evening.

Jeila and Isla are lovable, huggable and kissable.

"Look! Your dogs are beautiful and friendly. I want to hug them," said my neighbor Anne.

"Oh, yes. Jeila and Isla can easily make friends with humans. They are also caring."

"I think they are hungry. They look starving. Can I give them some chocolates,?" Anne moreover said.

"Oh no. They hate chocolates. They don't eat sweet food because it's not good for their health. Don't worry, Jeila and Isla are already full."

"Look, Anne. Jeila and Isla are glad to play with you!"
