

Summer in ... AUSTRALIA

We asked kids from around the world to write about their summer. Today, we're publishing what Tim from Australia wrote:

My name is Tim Jones and I'm 12 years old. I live in Sydney, Australia. Sydney is the biggest city in Australia. The climate here is very pleasant. The summer (December to February) is warm and sunny and the winter (June to August) is cool.

Sydney is on the east coast of Australia and it has lots of great beaches. My favorite is Bondi Beach. The waves are amazing! My friends and I always enjoy ourselves there. We play in the water and go swimming. We often go surfing, too. My older brother owns a boat. Sometimes, when he wants to be nice, he takes me and my friends sailing.

I think I'm lucky to live in such a beautiful city and I can't imagine myself anywhere else in the world.
