

1 Listen and read. What was the whale's problem?

1 Joe and Tom are fishermen. One day, they saw something big and white on the beach.

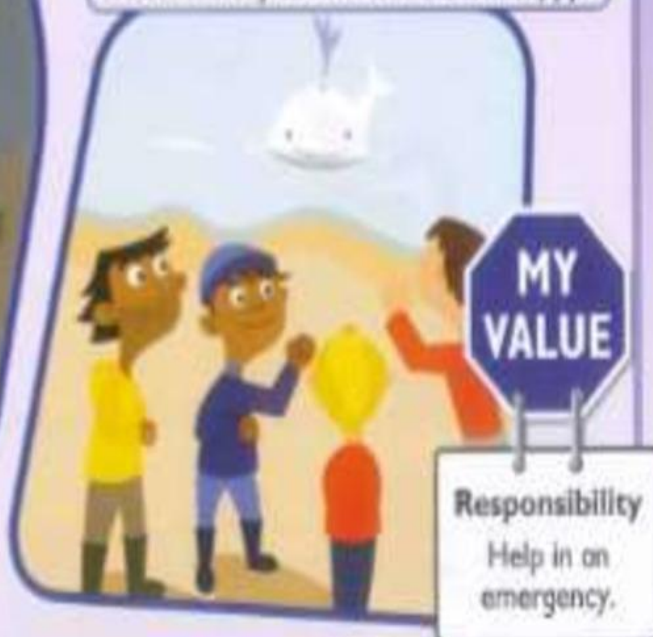

2 Joe and Tom ran to the village.

3 All the men and women from the village went to the beach. They worked together all afternoon ... and all night.

4 And in the morning, there was water again and the whale went back to the ocean. Everyone was tired but happy.

2 Act out the story.
