

Tell your class about the weather in your country.

1 Start

- a Choose a season to talk about.
- b Draw pictures of the weather.
- c Label your picture:

2 Prepare

Find information about the weather.

What is the temperature?

What is the weather like?

Is the weather the same in different parts of your country?

Do you like this time of year? Why?

3 Practice

Practice giving information about the weather.

Let me tell you about the weather in ... It isn't ... It's ...

At the beach/In the mountains/In the city it's ... I like/I don't like this season because ...

4 Present
