

Sensory Details: My Favourite Food

The warm aroma of cooked creamed spinach drifted into my nose

I grab my spoon and scoop the succulent meat from the stew

The waitron was showing his fluency in French and read out the menu slowly to a couple sitting next to me

I walk past the pizzas, the fluffy pasties, pies and cream cakes

Its soft texture, fatty feeling of meat in the mouth, the spice wine and garlic gravy makes it perfect

The smooth potato melted in my mouth, with a hint of butter and tangy gravy

I bite into the fresh crisp roll and taste its warm texture
