

With You

Tyler Shaw

Running late on a

by the freeway

Locked eyes as you

on a cold street

Looking back at the same time

I feel your did you feel mine?

I get the urge, but I

Two hearts on a

I know this sounds

But this could be

And I'm thinking maybe

That you feel it too

Tell me are you

And tell me you can stay

'Cause maybe

For you, I would travel to

Take a bullet to the heart just to keep

For you, anything for you

With you, all the years just

Like in my arms, but I'm wide awake

With you, whenever I'm

Ain't it funny how the time flies?

Now you're here as

how you met me?

on a cold street?

Three kids, and a big...
