## My universe

You (You), you are (You are) my \_\_\_\_\_  
And I (I) just want (Just want) to put you first  
And you (You), you are (You are) my universe, and I

In the \_\_\_\_\_, I lie and look up at you  
When the morning comes, I watch you \_\_\_\_\_  
There's a paradise they couldn't capture  
That bright \_\_\_\_\_ inside your eyes

You (You), you are (You are) my universe  
And I (I) just want (Just want) to put you \_\_\_\_\_  
And you (You), you are (You are) my universe  
And you make my world light up \_\_\_\_\_

And they said that we can't be together  
\_\_\_\_\_, because we come from different sides

You (You), you are (You are) my universe  
And I (I) just want (Just want) to put you first  
And you (You), you are (You are) my universe  
And you make my world \_\_\_\_\_ up inside

infinity

night
