Is our secret safe tonight?
And are we out of sight?
Or will our world come tumbling down?
Will they find our hiding place?
Is this our last embrace?
Or will the walls start caving in?

But it should have been right
(It could be wrong, could be wrong) To let our hearts ignite
(It could be wrong, could be wrong) Are we digging a hole?
(It could be wrong, could be wrong) This is out of control

It ___ never last
(It _____ be wrong, _____ be wrong) Must erase it fast
(It _____ be wrong, ____ be wrong) But it could have been right
(It _____ be wrong, ____ be)

Love is our resistance
They'll keep us apart, and they won't stop breaking us down
Hold me
Our lips must always be sealed

If we live a life in fear
I'll wait a thousand years
Just to see you smile again
Kill your prayers for love and peace
You'll wake the thought police
We ____hide the truth inside

But it should have been right
(It _____ be wrong, could be wrong) To let our hearts ignite
(It ____ be wrong, could be wrong) Are we digging a hole?
(It ____ be wrong, could be wrong) This is out of control

It ___ never last
(It _____ be wrong, _____ be wrong) Must erase it fast
(It _____ be wrong, ____ be wrong) But it could have been right
(It _____ be wrong, ____ be)

Love is our resistance
They'll keep us apart, and they won't stop breaking us down
Hold me
Our lips must always be sealed

The night has reached its end
We can't pretend
We must run
We must run
It's time to run
Take us away from here
Protect us from further harm
Resistance
