

Exercise 1: Read the text and answer the questions below.

A very nice playground was built almost 15 years ago. It had slides, sandboxes, and tunnels. Children who lived in the area liked to play there a lot. Then it was ruined. Someone burned it to the ground. Parents and children were very upset and sad. A little girl said how nice the park used to be. She said that it was a fun park to play at. Parents were worried that their children would have no place to play when the park was burned down. Many parents and neighbors hoped the playground would be rebuilt.

After the playground was destroyed, organizers got together to work on rebuilding the playground. They got new materials and were ready to rebuild. They chose a day on a weekend to start building so that people could help. The weekend they chose to rebuild the playground was not very good for working. It was raining. The organizers were worried that nobody would show up to help build the new playground.

Almost 400 people showed up to help! One woman said that she was very worried about the weather ruining their plans. She was extremely happy when she showed up and saw so many people there to help.

Bad weather did not stop volunteers from getting the work done. They are sure that they will finish the project on time and the children will be able to enjoy the playground soon.

Joining a ballroom dancing club

By Pippa Cartwright

When I started college, I wanted to find a club to join. One of the first ones I looked at was ballroom dancing – a type of dance you do with a partner. The people there seemed to be having a great time, and it didn't cost much, so I decided to join.

The first week I went, I was really worried because the teacher told us that there were nineteen different dances we had to learn. But it's been fine. When there's a new

thing to learn, he shows it to us lots of times and makes sure we're all good at it before we do the next thing.

When I joined, I didn't know any of the other people in the club because we all study different subjects. But it's been a great way to meet people, and I've made some of my best friends in the club.

One of the reasons we learn the dances is to enter competitions. I couldn't wait to do my first one. Before we started, I was a bit worried. But during the competition, my partner and I remembered everything about our dances. We were great. We didn't win any prizes, but it didn't matter - we loved it!

Joining the ballroom dancing club has been fantastic. In the past, I always did the same sports and activities, year after year, but ballroom dancing has taught me there's nothing scary about doing something you've never tried before. I still do lots of sports, but now I can add ballroom dancing to my list of hobbies.
