

Homework Week 1 - 16/2/24

Identifying parts of speech

Study skills

See *Grammar and vocabulary bank* on page 150.

- 1 Read this paragraph from the text on culture shock and find an example of each of these parts of speech from the underlined words in the text. Can you add another example to each group?

a verb	a noun	an adjective	an adverb	a preposition
	an article	a conjunction	a pronoun	

Constantly listening and speaking in a foreign language is tiring. Although you may have learned English very thoroughly, it is possible that the regional accents you discover when you arrive in the UK make the language harder to understand than you thought. People may also speak quickly and you may feel too embarrassed to ask them to repeat what they have said.

- 2 An understanding of the parts of speech is useful in building your knowledge of word families. eg *meet* (verb), *a meeting* (noun).

Complete the table with the missing verbs or nouns. Either the noun or verb form appears in Unit 1.
