LIVEWORKSHEETS

And I wish that I _____ (4.4) sleep enough to maintain my composure

... I feel crazy, I wish that I _____ (4.2) normal

I wish that I _____ (4.4) kill myself, but also be immortal

Take me to the oracle, I heard that time is borrowed

Can you give me back my yesterdays? I'll give you my tomorrows

Forget all of my morals and just live like I cannot remember sorrow

Before all of the tattoos and the cornrows

I was different, I was happy, I was calmer, I was young and full of hormones Now I'm wishing for a time machine, I'd step into that portal and be gone... I wish on shooting stars, or were they satellites?

Maybe they were too far, hey-oh-nah-nah

... I wish we _____ (4.5) kids again

Before everything was on Instagram, hey-oh

The things were so simple then

Me, my tree fort, all of my friends

Way back when on Beaver Drive

When the floor was lava, I could fly, hey-oh

Wished I _____ (4.2) big like them

Never thought I'd wanna be a kid again

... I wish on shooting stars, or were they satellites?

Maybe they were too far, hey-oh-nah-nah

I must've blown apart a million dandelions

Now they don't grow in my yard, hey-oh-nah-nah

Wish we _____ (5.3) turn back time
To the good old days
When our mama sang us to sleep
But now we're stressed out (oh)
