to be supposed to — **to make it out**
to seem to — **both of**
to fear apart — **to run out of**
to be typical of smb

## 1 Watch, listen and enjoy.

**"I'm Scared"**

The blank pages of my diary,
That I haven't touched since you left me,
The closed blinds in my home,
See no light or day,
Dust gathers on my stereo,
Cause I can't bare to hear the radio,
The piano sits in a shaded space,
With a picture of your face,

I'm scared to face another day,
Coz' the fear in me just won't go away,
In an instance,
You were gone,
And now I'm scared.....

Coffee stains on your favorite book,
Remind me of you so I can't take a look,
The magazines you left on the floor,
You won't need them anymore,
A towel left hanging on the wall,
No sign of wet footsteps in the hall,
There's no smell of your sweet cologne,
I'm lying here alone,

I'm scared to face another day,
Coz' the fear in me just won't go away,
In an instance,
You were gone,
And now I'm scared.....

I'm scared to face another day,
Coz' the fear in me just won't go away,
In an instance,
You were gone,
And now I'm scared.....

In an instance you were gone,
I'm scared.....
