

NÚMEROS AMIGABLES

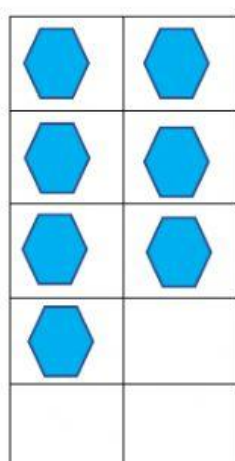

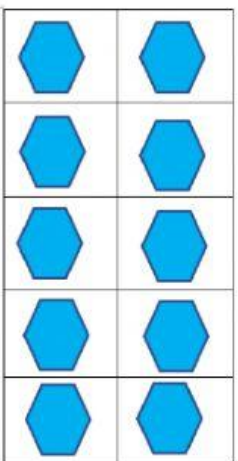

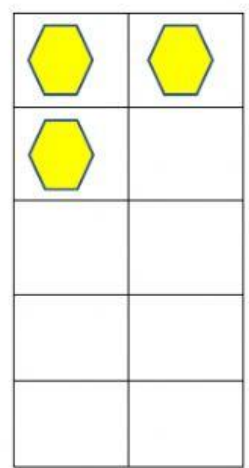

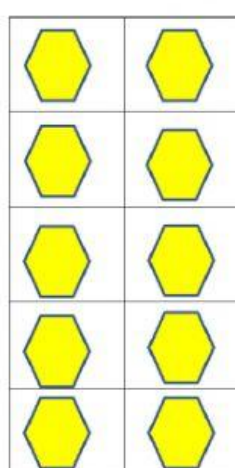

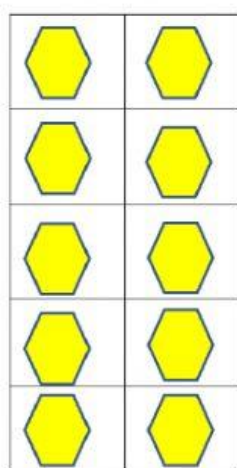

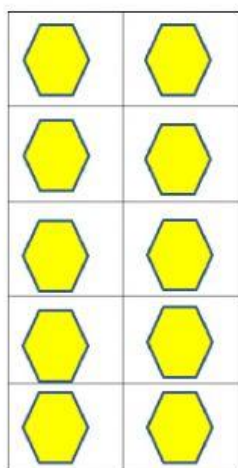

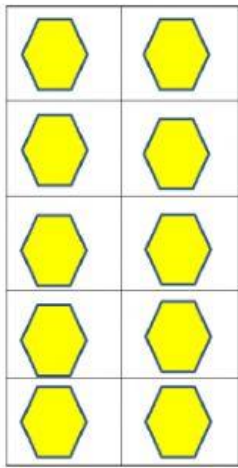

Usa el método de Paula (tal como se mostró en el vídeo para realizar las siguientes sumas:

$$24 + 39 = \boxed{} + \boxed{} = \boxed{}$$

Mueve las fichas azules de este recuadro y completa la decena de color amarillo-

$$43 + 17 = \square + \square = \square$$

Mueve las fichas azules de este recuadro y completa la decena de color amarillo-

$$28 + 46 = \square + \square = \square$$
