I really enjoyed this game. The aim is to build a city, but there are a lot of problems to solve along the way. 1 houses, hotels, roads and factories can you build? 2 money and energy do you need to build them? Players use money called 'megabucks'. You start with just 3 megabucks, so you must spend them carefully. It's difficult to build a city on your own, so 4 players work together. For example, if you have only got 5 energy, you can borrow or buy 6 electricity from a neighbour. But selfish and greedy players don't make 7 friends. If they haven't got 8 money or energy, no one helps them and they can't finish their city. So it's best to be friendly to the other players!
