

## FUTURE PERFECT OR FUTURE CONTINUOUS?

Your teacher follows the same routine every day:

The alarm clock goes off at 6.45 in the morning; she gets up immediately and the first thing she does is have a shower, which takes her about 15 minutes. At about 7 she gets dressed and walks her dogs for 15 minutes. She leaves home at 7:45 exactly in order to drive to *La Granadella*. It's a 30-minute journey to the high-school so she usually gets there at 8.15, which gives her the opportunity to switch on the slow computers before starting classes with you.

1. At 6 o'clock she \_\_\_\_\_ (sleep). She \_\_\_\_\_ (get up) yet.
2. At 6.55 she \_\_\_\_\_ (get up) and \_\_\_\_\_ (have) a shower.
3. At about 7 she \_\_\_\_\_ (get dressed).
4. At 7.10 she \_\_\_\_\_ (get dressed) and \_\_\_\_\_ (walk) the dogs.
5. At 8, she \_\_\_\_\_ (drive) on her way to work.
6. At 8.15 she \_\_\_\_\_ (reach) his destination. She \_\_\_\_\_ (travel) for 30 minutes.
7. At 8.20 she \_\_\_\_\_ (get) to work and \_\_\_\_\_ (enjoy) a nice cup of coffee because she has to switch on the computers.
8. Finally, at about 8.35, she \_\_\_\_\_ (start) classes.
