

This is a student writing work.
Some sentences are wrong, and
some are right.
Read every sentence, and decide if
it is **a complete sentence**, **a**
fragment, or **a run-on sentence**.

In My Kitchen

In my kitchen there is a table and three chairs. Of course,
there an oven and a refrigerator. There is. We also have
some cabinets there are a lot of dishes in them. There
is a door to the dining room there are two windows over the
sink. Have yellow curtains. My family is very big, we
cannot eat in the kitchen at the same time. We eat in the
dining room.

1. In my kitchen there is a table and three chairs.
