### Transport workers

Aleksy, 43, is a lorry driver from Warsaw in Poland. He says, 'I've been a lorry driver for twenty years and I really enjoy it. Some people don't like driving, but I find it very relaxing. That's probably because I listen to music while I'm travelling. I often travel abroad, for example, next week I'm going to Edinburgh in Scotland. I'm going to get there late, so I'll sleep in my lorry – it's my second home!'

Joaquim, 35, is a bus driver from Guatemala City. He says, 'I've driven buses since I was thirty. Before that, I worked in an office and then in a shop, but being a bus driver is the best job I've had. I like meeting people and travelling. Of course I spend a lot of time in my job, so I do a lot of exercise in my free time. I like playing football and I go swimming a lot. My problem is – I don't like staying in one place!'

Hazel Green, 25, is a taxi driver from London. She says 'I have been a taxi driver for about two years. My dad was a taxi driver too and now I drive his taxi. Most of the other drivers are older than me, but they're really nice. When I began, I was really nervous because London is so big. Now I'm more confident. I love meeting people and most passengers are really friendly. This is a great job!'
