Reading

G. Read the text and choose the correct variant to answer the question.

Hi! My name is Lisa.

I'm a student, and I like healthy snacks. I have three favorite snacks.

My first favorite snack is fruit salad. I love apples, oranges, bananas, strawberries, and grapes. I put them in a bowl together, and it's delicious!

My second favorite snack is yoghurt. I like vanilla yoghurt with strawberries. It's very yummy!

My third favorite snack is popcorn. I eat popcorn at the movies, but it's not very healthy. I make my own popcorn at home. I put a little bit of salt on it, and it's a great snack for TV or parties.

I think healthy snacks are important because they give you energy. They're also good for your body.

1. What is Lisa's first favorite snack?

- A. Yoghurt with strawberries
- B. Fruit salad
- C. Popcorn with salt
- D. Chocolate cake

2. What kind of fruit does Lisa include in her fruit salad?

- A. Bananas, apples, and strawberries
- B. Oranges, grapes, and pears
- C. Apples, oranges, bananas, strawberries, and grapes
- D. Watermelon, kiwi, and pineapple

3. How does Lisa make her popcorn?

- A. With caramel sauce
- B. With cheese
- C. With a little bit of salt
- D. With sugar

4. Why does Lisa think healthy snacks are important?

- A. They taste better than unhealthy snacks
- B. They are good for your body and give you energy
- C. They are cheaper than unhealthy snacks
- D. They are easier to find at the store
