

# Die for you

## - Joji

Swear I \_\_\_\_\_ sleep a wink last night  
No point in turnin' off the lights  
Not the same without your head on my shoulders  
Growin' pains, but I don't wanna get older  
Almost like we left it all on \_\_\_\_\_  
\_\_\_\_\_ feelings never laid to rest  
Didn't know that the party was over  
And it's true that I need you here \_\_\_\_\_  
Burning photos  
Had to learn to let go  
I used to be  
Somebody in another skin (another skin)  
I heard that you're happy without me  
And I hope it's true  
(I hope, I hope it's true)  
It \_\_\_\_\_ me a little, that's okay  
'Cause I'd die for you  
You know I'd \_\_\_\_\_ die for you  
I hope you're getting everything you needed (needed)  
Found the puzzle piece and \_\_\_\_\_ completed (completed)  
Just wanted you to know every reason  
Hope you really know that I mean that  
I couldn't see  
The forest from the \_\_\_\_\_  
Only time we speak  
Is in my dreams  
Burning photos  
Had to learn to let go  
I used to be  
Somebody in another skin (another skin)  
I \_\_\_\_\_ that you're happy without me  
And I hope it's true  
(I hope, I hope it's true)  
It kills me a little, that's okay  
'Cause I'd \_\_\_\_\_ for you  
You know I'd still die for you
