Jack	Whether you like it or not, it does draw attention . It reminds me of a chocolate Easter egg that's been left out in the sun.
Priya	What I like about it is its originality and the beautiful spiral staircase in the main hall.
Flo	Although I can't say I liked it when I first saw it, it did grow on me in time, and I found, once I'd had a closer look, that the design wasn't as simple as it looked.
Brigit	The thing I like most is the way it looks at night, when it's all lit up.
Pamela	It's the location I don't like - right there, next to a historical building! It's a travesty!

Look at ideas used to describe the places in the city and match them to the rules on right of the page
