The students in the Flyers class studied hard all year. Now it was summer and time for a holiday! George and Holly's friends prepared exciting adventures. One friend took a bus to the big city to visit a zoo and see the skyscrapers. Another friend travelled by train to see an old castle. A group of friends went by taxi to the airport and flew to a different country.

George and Holly couldn't decide where they wanted to go. Holly said, 'I'd like to go to a desert but there isn't one near here.' George said, 'I've always wanted to see a camel but they don't live in this country.'

Suddenly Holly and George saw a picture outside the museum. The picture showed a camel which was walking in a hot desert. Under the picture there were some words. Holly read, 'Come inside and see our film about Charlie the camel who lives in the desert.' George was very excited.

'I think we have just found our adventure,' he said.

'I think so, too,' said Holly, 'let's go in!'

8 Holly and George decided to ..... a camel who lives in the desert.
