GUESS WHO LIVES HERE?

Read and then write the names of the people who live in each flat.

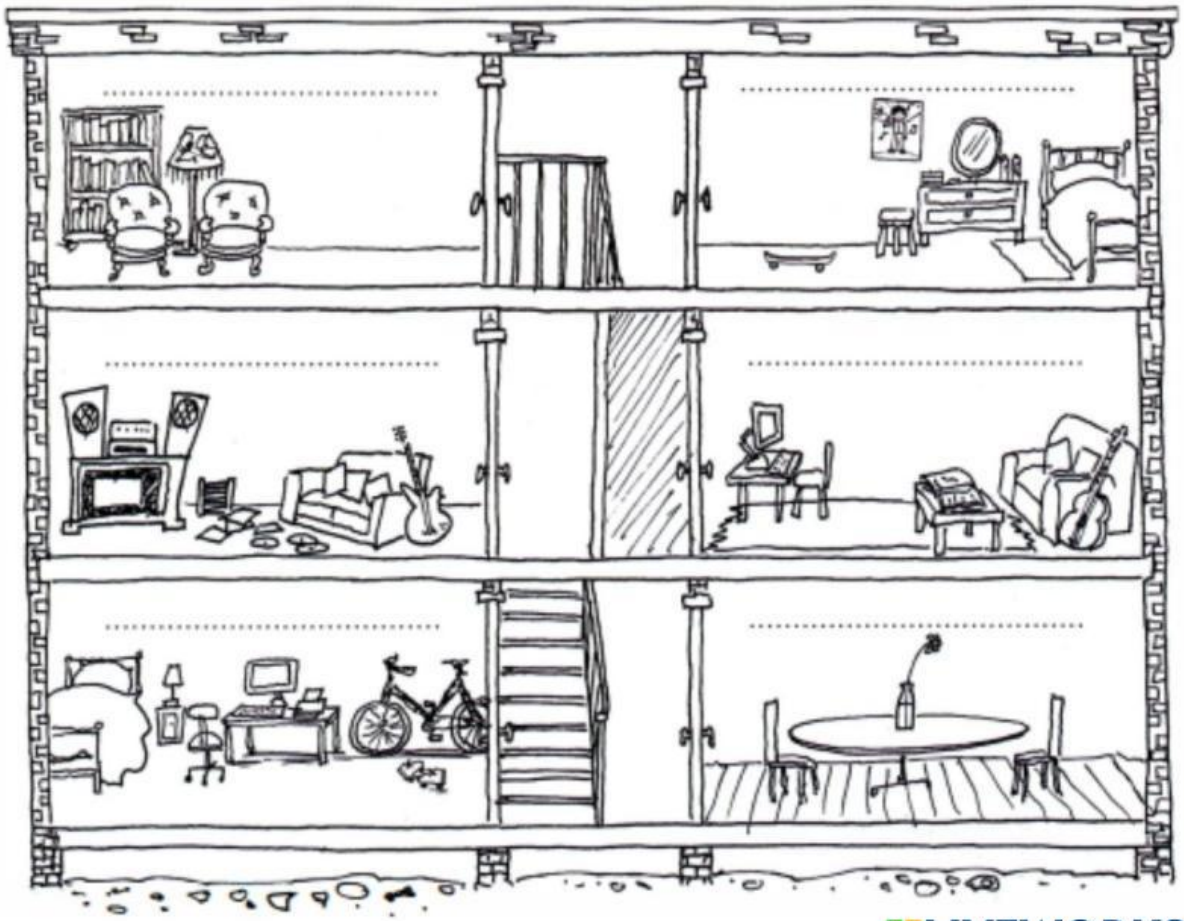

Mr and Mrs White live at the bottom of the stairs, below Mary Pink. Mr White is a cook and likes cooking a lot at home too. They often invite friends to their flat and they have dinner parties.

Anna and Bill Brown love reading quietly in their living room. They don't like living above Miss Green because she plays very loud music when she comes home after work.

Miss Green lives opposite her friend Mary Pink. They are both learning to play the guitar and they make a lot of noise.

Mark Grey's flat is under Miss Green's. He doesn't have to drive to work because he works on his website at home but he puts on his roller skates and skates around the park every morning first.

The newest person in this house is Julia Blue. She moved into the flat at the top of the stairs, two floors above Mr and Mrs White's apartment. She loves skateboarding and wants to be a pop star.
