OVERDRIVE

(Ofenbach ft Norma Jean Martine)

I wanna feel the heat, I wanna own the night
I wanna feel the beat, I wanna dance tonight
I wanna lose myself, I wanna come alive
I wanna feel the love, go into overdrive
I wanna feel the heat, I wanna own the night
I wanna feel the beat, I wanna dance tonight
I wanna lose myself, I wanna come alive
I wanna feel the love, I wanna go into overdrive
Into overdrive
It doesn't matter where I go
I feel the music in my soul
I love the way the rhythm makes my body go
There's a dance floor in my dreams
And I've been moving in my sleep
Love the way the bass sound makes me lose control
I wanna feel the heat, I wanna own the night
I wanna feel the beat, I wanna dance tonight
I wanna lose myself, I wanna come alive
I wanna feel the love, I wanna go into overdrive
Into overdrive
I wanna feel the heat, I wanna own the night
I wanna feel the beat, I wanna dance tonight
I wanna lose myself, I wanna come alive
I wanna feel the love, go into overdrive
Into overdrive, into overdrive
Into overdrive, into overdrive
