

## History of Pizza in America.

A pizza is a flat bread covered with tomatoes, cheese, and a variety of \_\_\_\_\_.

Today, pizza is one of the most popular foods in America, but this \_\_\_\_\_ the

case. Pizza came to America with Italian immigrants during the late 19th century. People sold it

on the street like they \_\_\_\_\_ do in Italy. A few pizzerias opened in New York City

in the early 20th century, but these were \_\_\_\_\_ popular with Italian immigrants.

\_\_\_\_\_ World War II that pizza became truly popular. American men that had been

\_\_\_\_\_ in Europe, particularly in Italy, had found out about pizza. When they

came home, they wanted to continue eating it. This made American pizzerias extremely popular.

Pizza, \_\_\_\_\_ originally made in Italy, is now one of the most important foods in

America. Americans feel lucky \_\_\_\_\_ eating pizza !
