

MY FAVOURITE ROOM

1. Listen and fill in the gaps with suitable words.

JESS: My favourite room is my bedroom. It is small, but it's very quiet. It has a single bed and a There are some on the walls with lots of books on them. There's a desk and a next to the window. There's a computer on the desk. I study there every evening. There's a great view of the city from the desk.

DAVID: My favourite room is our There's a really big, old table in it and six chairs. We have great meals here with our friends, but I also use the table to play games and work. There are some lovely, interesting things in this room. There's also a really old from Japan on the table, and there's a big, expensive from Turkey on the floor. It's really beautiful. And there are some wonderful on the wall by a French artist. It's a really interesting room, I think!

DAVID: Well, my apartment only has one room, so that's my favourite room, I guess! But it's a great room. It's on the top floor of a building, above some It's really big. It has a double bed and a big I eat my meals on that because I don't have a table! There's a kitchen area in the corner, with a and a cooker, and there's a really big for drinks and snacks. It's a great room. My friends love to come here and listen to music.
