To:	"Agata Tomczyk" <agata.tomczyk@ne-mail.ie>
Subject:	Potential new venture
Date:	1 April

Dear Agata:

I hope you have been doing well since graduating from Kennitt Institute of Technology. I'm glad to hear that you're now working at Bradshaw-Jett Financial. Since we graduated from KIT, I too found a job and moved to Carlow, and I very much enjoy living in the city.

I've seen some of your recent photographs on your Web site, and I must say I am quite impressed. I've been working on my skills in this area as well and have recently done several portrait sessions for private clients. I'm hoping to start a part-time professional photography venture, and I was wondering if you would like to join me. I believe the skills we learned working as news photographers at the *KIT Courier* could be useful to a wide range of clients as well as providing a secondary source of income for us. Since our offices are close to each other, meetings should be relatively convenient.

I will be consulting a lawyer about business planning on 20 April. Please send me a response as soon as possible. If you are interested, I would like to set up a time to meet or speak over the phone sometime between 10 and 17 April.

I hope to hear from you soon.

Thanks,

Colin Cavanaugh

Leafman Capital Purchases Josée Group

Leafman Capital, a leading Canadian investment firm, announced today that it has completed its long-anticipated acquisition of Josée Group, a Paris-based hotel company. The deal has an estimated value of 350 million euros, according to Leafman Capital executives.

The sale of the French-owned Josée Group to a Canadian firm has caused a great deal of controversy in France; the Josée Group owns 26 historic hotels in and around Paris, including the famous Hôtel Jean-Claude, which had hosted numerous prominent nineteenth-century French authors and political figures. Joseph Leafman, owner of Leafman Capital, announced that his firm would strive to retain the important historic heritage of the Hôtel Jean-Claude but

would make necessary renovations to modernize the heating and plumbing systems. In addition to the Hôtel Jean-Claude, the Josée Group owns smaller hotels across France, including the Parisian Gateway and the Hôtel Fanon, both considered among the finest examples of French architecture in the neoclassic style.

Mr. Leafman said that his firm purchased the Josée Group as a means of diversifying its portfolio. He also plans to make additional purchases in Europe, which may include luxury hotels in Belgium, Germany, and Switzerland. Other assets recently purchased by Leafman Capital include high-rise apartment and office buildings in Thailand and the Philippines.

7. What is Leafman Capital's announced plan for the Hôtel Jean-Claude?
- (A) To operate it as an economy hotel
 - (B) To build apartments on the property
 - (C) To update some of its facilities
 - (D) To turn it into a historical museum
