Read the following text and complete with **IN** or **FROM**.

Are you a summer or a winter person?

Hi! My name is Cecilia and I live

Usuahia. This city is Tierra Del Fuego province, Argentina. My dad is

Bariloche but my mom is Mexican. I am Mexico, too but we are living here

now. My mom loves cold temperatures and she hates boiling hot summers like the ones they have Mexico. Personally, I like both but I prefer cold weather.
