HOME EDUCATION

Liam Brown lives with his mum on a small island in Scotland. They live far from a town, so Liam doesn't go to school. His mum teaches him at home.

'I have lessons from Monday to Thursday. Mum lets me sleep **until** nine in the morning and we start lessons 1) **ten**, **after** breakfast. The kitchen is my classroom and the kitchen table is my desk! We have a break at 11.30. During the break Mum lets me play computer games! My mum always gives me homework. I usually do it **before** dinner. 2) **Fridays**, we travel to a city and visit museums and art galleries. I don't meet other children very often so I also go to a badminton club there 3) **the afternoon**. 4) **the weekend**, I don't have lessons. 5).....
Saturday mornings, I play tennis with my dad or we sometimes go walking. I study all the usual subjects and I take national exams. My next exams are next year. I think they're 6) **June**. I have the normal school holidays in the summer, and I don't have school 7) **September 20** - that's my birthday!'
