

# YOU

# AND I

I \_\_\_\_ to listen to the love songs on repeat  
Trying to figure \_\_\_\_ how they would work for me  
I just \_\_\_\_ dance with somebody  
Somebody who \_\_\_\_ me  
Now I see you \_\_\_\_ in our garden lights  
Damn, I knew when I got \_\_\_\_ to go that night  
That I \_\_\_\_ found that somebody  
To stand \_\_\_\_ me

I \_\_\_\_ ride for you  
Spare my \_\_\_\_ for you  
\_\_\_\_ you asked me to

Now I'm \_\_\_\_ in your arms to "Eternal Flame"  
I know my life is never \_\_\_\_ be the same, that's fine  
There's a \_\_\_\_ in those eyes  
Now we're singing all the words \_\_\_\_ "Sweet Caroline"  
And you say to me, "I love the way you look \_\_\_\_"  
You know I, I never got it \_\_\_\_  
Until I found you and I

Always thought that the one thing \_\_\_\_ for me  
Was not a wonderful world, but a \_\_\_\_  
But you \_\_\_\_ and rewrote our whole story  
To an everlasting \_\_\_\_  
Spare my life for you  
If you asked me to

Now I'm dancin' in your arms to "Eternal Flame"  
I know my life is never gonna be the same, that's fine  
There's a lifetime in those eyes  
Now we're singin' all the words to "Sweet Caroline"  
And you say to me, "I love the way you look tonight"  
You know I, I never got it right  
Until I found you and I (repeat)
