Front desk service				X	
Concierge service	X				
Lotus restaurant	X				
Room service					X
Housekeeping		X			
Business center		X			
Overall appearance of hotel	X				

I have stayed at this hotel a number of times on business and am usually very satisfied. However, this time it seemed that the front desk was understaffed the entire time I stayed here. I had to wait for 20 minutes to check in, and it took over 30 minutes to check out. In addition, it was difficult to contact the front desk from my room. Twice the phone rang without anyone picking up. I realize this was a busy month for the hotel, but enough staff should have been put on duty to accommodate guests.
