

**Some people say that music is a good way of bringing people of different cultures and ages together. To what extent do you agree or disagree with this opinion?**

## INTRODUCTION

	<b>Introduction</b>
Is the topic addressed in the introduction?	Music is an art form loved by people from all over the world. Some people believe that music is a tool that brings people of different cultures and ages together. This essay will explain why I agree with this idea.
Has the question been paraphrased properly?	<b>Choose the correct paraphrases for the keywords.</b>
Does the thesis statement discuss the question as required?	A good way:
Any grammatical/word choice errors?	Bringing together: Different cultures and ages:

## BODY

**Read the question carefully, what aspects of music should we talk about?**

Music can connect people despite the differences in

<b>BODY 1</b>	
Does this body have a topic sentence?	On the one hand, music can be considered a special language.
Does this body have an explanation?	I have always found that people from different cultures, languages, skin colours and backgrounds show interest in a piece of music or even a singer when they listen to the tune regardless of the language.
Does this body have an example?	
Does this body have connectives?	For example, Taylor Swift has millions of fans from all ages and from all over the world even though many listeners do not understand the lyrics.
Any grammatical/word choice errors?	<b>Comment: This example can be expanded further. Choose the correct sentence to improve the example above.</b>

<b>BODY 2</b>	
Does this body have a topic sentence?	On the other hand, I believe that the main thing that affects the listener is not the lyrics but its melody. <b>Choose a better topic sentence:</b>
Does this body have an explanation?	
Does this body have an example?	<b>The music of classical singers</b>
Does this body have connectives?	is still listened to by young people and even children. And conversely, modern songs like rap or pop music are still welcomed by older people.
Any grammatical/word choice errors?	For example, the TV show Rap Viet is still well-received by middle-aged people.

	<p><b>Comment: This example can be expanded further. Choose the correct sentence to improve the example above.</b></p>
	<p><b>CONCLUSION</b></p>
<p>Does the conclusion summarise the main points in the essay?</p>	<p>In short, everywhere in this world there is music, which is why if we want to attract people to our culture, one of the best ways is through music.</p>
<p>Does the conclusion mention any further actions?</p>	<p><b>Choose a better “Summary of the main points?”</b></p> <p><b>Choose a Future Action.</b></p>
