English is the language of science, of aviation, computers, diplomacy, and tourism. Knowing English increases your chances of getting a good job in a multinational company within your home country or for finding work abroad. **It** is also the language of international communication, the media and the internet, so learning English is important for socialising and entertainment as well as work!

English may not be the most spoken language in the world, but it is the official language of 53 countries and spoken by around 400 million people across the globe. Being able to speak English is not just about being able to communicate with native English speakers, it is the most common second language in the world. If you want to speak to someone from another country, the chances are that you will both be speaking English to do this.

The British Council projects that by 2020 two billion people in the world will be studying English. Learning English is important as it enables you to communicate easily with your fellow global citizens. When you study English at ELC schools, you will be making friends with people from lots of different countries, using English as your common language!

1. What does knowing English increase?

2. May English be the most spoken language in the world?

3. What benefits can you get when you study English at ELC schools?
