Exercise 3: Reading.

Yesterday, my family and I went shopping for my friend's birthday present. We went to a big store with lots of things to buy. I saw a colorful gift stall with many things on display. There were beautiful earrings and sunglasses. I also saw a big bag of candy and a yummy-looking bar of chocolate.

Mom gave me some money, so I could choose a nice present. I looked around and found a lovely pair of earrings that I thought my friend would like. They were not too expensive, but they looked very pretty. I decided to pay for them with the money mom gave me.

After that, we went to buy some groceries. We got a big bag of rice and a pack of eggs. Mom said we needed them for cooking. We also got a piece of cheese and a pineapple for snacks. It was a fun trip, and I felt happy because I chose a nice gift for my friend.
