

STEP 1

Write about the skills you have for each job. Think of things you like to do. How does it help you do the job well?

LESSON  
2

Pick up Trash

Sample:

I can pick up trash at my school. I am good at finding things that should go into the trash. I like making the school grounds look nicer.

What job do you want?

I am good at cooking. I want to help make lunch.

STEP 2

With your partner, do a job interview for each job. Ask and answer: What skills do you have for this job? Do you enjoy doing it?
