Dotted rests

Dotted rests work in exactly the same way as dotted notes: a dot after a rest adds on half the value of the rest again.

Dotted crotchet rest: $\text{♪} \cdot = 1\frac{1}{2}$ crotchet beats or $\frac{3}{4}$ of a minim beat

Dotted quaver rest: $\text{♪} \cdot = 1\frac{1}{2}$ quaver beats or $\frac{3}{4}$ of a crotchet beat
