Theory

Activity 11

Think about how you did. Read the statements below. Tick the boxes that show how you did [√].

Statements	I needed help	I improved during the project	I am an expert!
I understood the project brief and answered the questions.			
I used the design thinking process to decide what tasks to do and when to do them.			
I created a decision tree to plan the program.			
I created a program to control the smart greenhouse.			
I did my own testing and changed the program if needed.
