

Helping Our Earth

Earth is our home. We need to take care of it. We can work together.

We can keep Earth clean. Throw your **trash** away. Do not leave it on the ground.

We can keep the air clean, too. We can walk or ride **bikes** instead of driving cars.

We can save trees. Use both sides of your paper. When you are done, **recycle** it!

Ride your bike instead of going by car.
