

A. Read the article and answer the questions.

Jorge works in a restaurant. He prepares many meals every day. He usually works in the evening, but sometimes he works in the morning and sometimes he works in the afternoon. His customers eat the food he prepares and then they pay the bill. His restaurant receives four stars from the critics. Jorge and his wife Susana live in Albuquerque, New Mexico. They understand English and Spanish.

Every morning, Jorge reads the newspaper and drinks orange juice. Susana studies Spanish at the University of New Mexico. She reads many books in the morning and in the evening she takes classes at the university. In the afternoon, she takes a nap. When Jorge works at the restaurant and Susana studies at the university, the grandparents of the children take care of them.
