D. Evaluate The Cask of Amontillado Storyboard Revision

In literature, storyboard revision is crucial as it helps students improve their storytelling skills by allowing them to organize their ideas, clarify their plot, develop their characters, and enhance the overall structure of their narrative.

Directions: Evaluate and propose revisions to improve the narrative flow or enhance character development for each character and events.

The Cask of Amontillado

by Edgar Allan Poe

- 1 Fortunato eagerly follows Montresor into the catacombs, despite feeling unwell.

- 2 Fortunato, feeling the effects of the nitre, starts coughing and wants to turn back.

- 3 Fortunato makes a secret Masonic hand signal, which Montresor doesn't recognize.
