

# OCCUPATIONS

Name: \_\_\_\_\_

Date: \_\_\_\_\_

1.- Write the name of each occupation

|                                                                                     |                                                                                     |                                                                                      |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|    |    |    |    |
|                                                                                     |                                                                                     |                                                                                      |                                                                                       |
|  |  |  |  |
|                                                                                     |                                                                                     |                                                                                      |                                                                                       |
|  |  |   |  |
|                                                                                     |                                                                                     |                                                                                      |                                                                                       |

2.- Match the occupations with each picture

Archeologist - cashier – cleaner – farmer – astronaut – artist –  
beautician – barber – ballerina

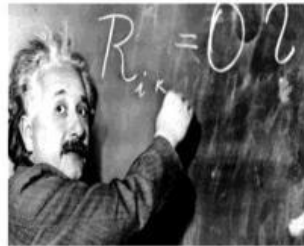

|                                                                                     |                                                                                     |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|    |    |    |
|  |  |   |
|  |  |  |
