

1

Follow the lines, point and say: I like...

Прослідкуй за лініями, вкажи та скажи.

2

Find, count and write. Then, say.

Знайди, порахуй та напиши. Потім скажи.

1. Follow each line and say what fruit each child likes.

2. Count how many of each fruit there is in the basket and write the number in the space above the basket. Present your findings to your partner.
