ACTIVATION Cover the texts and look at the verbs. Explain what they mean.

make, let, and allow

My French teacher **made me do** extra homework. Our IT teacher **lets us play** games every Friday. The head **doesn't allow us to take** our phones to school.

We use **make** and **let** with an object pronoun and the infinitive without **to**. We use **allow** with an object pronoun and the infinitive + **to**.

let and **allow** have a similar meaning. We often use **allow** in the passive, e.g. *We're allowed to play games every Friday*, but we can't use **let** in the passive **NOT** *We're let play games...*
