I've been a member of the school cooking club since I was ten. I'm best known as a brilliant cake maker. Last year, I made 100 cupcakes for my cousin's 18th birthday party and everyone said they were delicious. Cooking is only expensive if you buy unusual food, like Chinese vegetables that you can't find in a supermarket. I did this and made a special dinner for my Dad when he was 50.

When I was younger, I became interested in photography when my uncle let me take photos on his big digital camera. I've got my own camera now – I saved my pocket money for a year to buy it and it's fantastic. I love taking photos of people playing sport – it's really difficult to catch them at the right moment so I take several photos. The headteacher has asked me to take the photos at the school fashion show, which will be fun.

Romeo

My aunt works for a fashion magazine and wears really cool clothes. I'm different to most boys because I love making clothes for me and my sisters, so I want to study fashion at college. I've already got some experience of the fashion world. With my aunt's help, I won a competition to help get the clothes ready when a famous American photographer came to take photos of models wearing winter clothes. It was a really interesting day and I could earn some money.

We want to be stars!

by Georgia Broom

I'm in a rock band called The Pink Stars with two other girls from school. We didn't really know each other before we started playing four months ago, but now we're great friends. We've all been in other bands before and love rock music. Finding a place to practise is a problem, but we're lucky because my parents don't mind if we use a room in our house two or three times a week.

On Saturday afternoons, we usually do different things than our friends from school. Instead of going to the cinema or a café, we give a concert in a large music shop in town. It's great fun! We really enjoy choosing what we'll wear. Sometimes we go shopping for something special a day or two before we play.

When we started giving concerts, only our families came to see us. But soon, our brothers and sisters started inviting their friends. We felt a bit shy when some classmates came to see us, but we were pleased when they loved our music. Now other people are beginning to come to the shop just to listen to us! We're becoming famous.

This summer we're going to play at our first open air rock concert. It'll be wonderful to be on a stage in front of all those people. I can't wait!

I sing and play the guitar. I can also play the keyboard, but I don't like it very much. Rachel plays the drums and Annie plays the guitar and keyboard. We've written seven of our own songs to upload to our channel. We've also got our own website, so to learn more about The Pink Stars, visit www.pinkstars.com. It has all the information about our concerts.
