

Listen to the song and choose the correct word to complete the lyrics.

## Feels like summer

Childish Gambino

You can feel it in the streets  
On a day like this, the \_  
It feel like summer  
I feel like summer  
I feel like summer

You can feel it in the streets  
On a day like this, the \_  
I feel like summer  
She feel like summer  
This feel like summer  
I feel like summer

Seven billion souls that move around the Sun  
Rolling faster, faster and not a  
to slow down  
Slow down

Men who made machines that want what they  
decide  
Parents tryna tell the children: Please, slow down  
Slow down

I know  
Oh, I know you know that pain (no, no, no, no)  
I'm hopin' that this world will change  
(I hope this world will change)  
But it just seems the same  
(It feels like the same)

You can feel it in the streets  
On a day like this, the heat  
It feel like summer  
(I feel like summer)  
I feel like summer  
(I feel like summer)  
I feel like summer

Every day gets \_\_\_\_\_ than the one before  
Running out of \_\_\_\_\_, it's about to go down  
Go down

Air that kill the \_\_\_\_\_ that we depend upon  
Birds were made for singing, waking up to no sound  
No sound

I know  
Oh, I know you know my pain (woah, no, no, no, no)  
I'm hopin' that this world will change  
But it just seems the same (woah)

I know  
Oh, I hope we change  
I really thought this world could change  
But it seems like the same

I know  
Oh, my mind is still the same  
I'm hopin' that this world will change  
But it just seems the same

I know  
Oh, I hope we change

I feel like summer

Childish Gambino
