Love shopping? There are a lot of great stores here. There are bookstores, clothes stores and a great technology store. Some of the clothes stores are expensive, but the bookstores are very cheap.

How about food? There are a lot of restaurants and cafés in the city. I like the coffee shops near the park. You can buy a nice drink and eat great food. They have vegetarian meals, too. In the evening, you can go to the park for a walk. A lot of people meet friends there. There's a movie theater, too. That's where I often go in the evening with my friends.
