

Passage comprehension

The Hungry wolf Story

Once a hungry wolf was in search of his prey. He spotted a goat. 'Oh it will be wonderful to have this fat goat as my meal'. The goat spotted the hungry wolf. The wolf is coming in my direction. I better run and save my life. The goat started to run. Before the poor goat can escape, the wolf pounced and instantly killed him.

"Morals: Expect No reward for serving the wicked."

Now answer the following questions:
