

Listen and read. Who do you think has done the most amazing things?

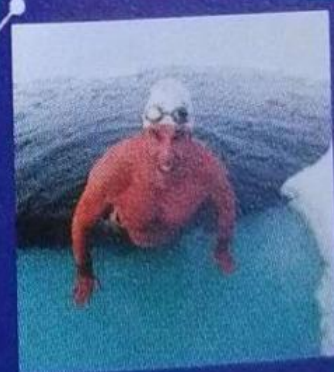

Special people

Maria Sharapova is a young tennis player from Russia. She was born in April 1987. She's tall, thin, and beautiful. She has long, blond hair. She has won three important world tennis championships: Wimbledon, the US Open, and the Australian Open. She wants to win the French Open and be the number one tennis player in the world.

Samantha Larson is a young woman from the USA. She has long brown hair, and she's very brave. She's only 18 years old, but she has climbed the seven highest mountains, one on each continent: North America, South America, Asia, Africa, Europe, Australia, and Antarctica. She climbs with her father. She wants to climb more mountains and talk to people about her life.

Lewis Gordon Pugh is a swimmer and explorer. He was born in 1969 in the UK. He's tall, strong, and very athletic. He has swum long distances in the world's five oceans: the Pacific, the Atlantic, the Indian, the Southern, and the Arctic. He has swum in freezing temperatures at the North Pole without a wetsuit. He wants to swim in more unusual places and to make people think about the environment.

2 Answer the questions.

- 1 Who has long brown hair?
- 2 Who has swum in unusual places?
- 3 How many continents are there?
- 4 Who cares about the environment?
- 5 Who comes from the USA?
