# THE ISLAMIC EMPIRE

The article is about Islam. Four sentences have been removed from it. Choose from sentences (A-E) the one that fits each blank (1-4). There is one extra sentence you don't need to use.

1.	Islam is a religion that started in Mecca, which is in Saudi Arabia. It was founded by a man named Muhammad. Muslims believe in one God and that Muhammad is his prophet.	
2.	Mecca is a very important city for Muslims. It is the holiest city in Islam. There is a special place in Mecca called the Kaaba, which is considered the house of God. Muslims from all over the world go to Mecca for a pilgrimage called the Hajj.	
3.	Muslims have five core beliefs and practices called the Five Pillars of Islam. The first pillar is the profession of faith, which is the belief that there is only one God and Muhammad is his prophet. The second pillar is prayer, which Muslims do five times a day. The third pillar is alms-giving, which means giving money or help to people in need. The fourth pillar is fasting during the month of Ramadan, when Muslims don't eat or drink during the daylight hours. They follow the teachings of the Quran, which is their holy book.	
4.	Islam is one of the Abrahamic religions, which means it is related to Judaism and Christianity. It started in the Arabian Peninsula, which is a region in the Middle East. Muslims believe that Islam is the final and complete version of the faith that was revealed to earlier prophets like Abraham, Moses, and Jesus. They believe that the Quran is the word of God and that Muhammad is the last prophet.
