Tumble outta bed
And I stumble to the .....
Pour myself a cup of ambition
And yawn and .....
And try to come to life
Jump in the .....
And the blood starts pumpin'
Out on the .....
The traffic starts jumpin'
The folks like me on the..... from 9 to 5

Workin' 9 to 5,
What a way to make a livin'
Barely gettin' by
It's all takin' and no givin'
They .....use your mind
And they .....give you credit
It's enough to drive you .....
If you let it

9 to 5, for .....and devotion

You would think that I

Would deserve a fair promotion

Want to move ahead

But the ..... won't seem to let me

I swear sometimes that man is out to get me
They let you .....
Just to watch 'em shatter
You're just a step
On the boss-man's ladder
But you got dreams
He'll never ..... away
You're in the same boat
With a lot of your friends
Waitin' for the .....your ship'll come in
'N' the tide's gonna turn
And it's all gonna roll your.....

9 to 5, yeah

They got you where they want you

There's a .....life

And you think about it, don't you?

It's a .....man's game

No matter what they call it

And you ..... your life

Puttin' money in his wallet
